

F-80 Coordinator of Fire Safety & Alarm Systems in Homeless Shelters

When you take this mandatory 2-day course with us, you'll be given a 67-page spiral bound handout which is yours to keep.

You should study it in preparing for your Computer Based Test (CBT) at MetroTech Center, and use it later at the worksite as a source of reference.

FDNY recognized *Certificates of Completion* will be prepared upon successful completion of the class.

Topics covered include:

1. Introduction
